9:00 a.m. – BCC Conference Room

Commissioners Cheryl Walker, Keith Heck, and Simon G. Hare; Wendy Watkins, Recorder

Chair Cheryl Walker called the meeting to order at 9:00 a.m.

1. **Other** (*ORS 192.640(1) “. . . notice shall include a list of the principal subjects anticipated to be considered at the meeting, but this requirement shall not limit the ability of a governing body to consider additional subjects”.*)

Commissioner Hare mentioned there was an issue with an outside entity who wanted to reserve Room 157 and asked if the County provided security due to it being an intense Public Hearing. Staff notified that person and they decided to find a secure location outside the Courthouse. He said he has not looked at the policy for County facilities, but did not want to have the conference rooms available to outside agencies and the Board agreed. *Staff was directed to research and see if any policies exist for County conference rooms.*

Commissioner Heck discussed an email he received regarding the Owyhee Canyonlands not wanting a National Park on their lands without a vote of Congress. He said on May 23, 2016 there will be a rally and Commissioner Hare said it will be interesting to see what AOC Public Lands is doing or if they are calling for a statewide meeting and Commissioner Walker said to check with AOC to see if they would like our participation.

Commissioner Hare reported that all the County property sales are on the County website and the auction is scheduled for June 16, 2016 in the Anne Basker Building.

The meeting adjourned at 9:20 a.m.
