POSITION DESCRIPTION

Job Title: Deputy Medical Health Officer
Department: Public Health
FLSA Status: Exempt
WC Code: 8835
Effective Date: April 1, 2021
Last Revised: April 1, 2021
Pay Grade: NU
Union: Non-Union

SUMMARY

Under administrative direction, to perform as the Deputy Medical Health Officer for Josephine County Public Health Department, to provide medical direction, guidance, planning, supervision, and to provide related services as required.

ESSENTIAL DUTIES AND RESPONSIBILITIES

(Illustrative only. Any single position in this classification will not necessarily involve all the listed duties below and other positions will involve duties which are not listed. These duties represent the essential functions needed of persons in this classification.)

1. Duties to include the support of Josephine County's Public Health response to COVID 19: illness, vaccine, testing, outbreaks, OHA programs and direction, and clinical experience.
2. Provides medical oversight, including direction, guidance, and planning, for the medical activities of the County Public Health Department including immunizations, communicable disease control. Includes preparation and signing of standing orders.
3. Provides technical assistance to staff of the Public Health Department.
4. May provide consultation to the County to assure the provision of medical services to incarcerated individuals is appropriate and safe.
5. Participates as a member of the Public Health management team in formulating responses to communicable disease outbreaks.
6. Provides consultation and technical support to other health care providers in the community as is necessary to achieve appropriate goals, as established by the leadership at Josephine County Public Health Department.
7. Provides consultation on the need to invoke public health measures such as mass vaccination, isolation, quarantine, restaurant closures, and health alerts.
8. Brings the public health physician perspective to the local health department's management process.
9. Adheres to County and departmental policies and procedures as well as safe work practices, policies, and procedures.
10. Develops and maintains effective working relationships with other staff, public officials, the public and representatives of other agencies.

11. Performs other related duties as assigned.

SUPERVISORY RESPONSIBILITIES

May act as a supervisor to various classifications.

QUALIFICATIONS

1. Thorough knowledge of modern medicine theory and practice.
2. Knowledge of modern medicine practice in a community health setting.
3. Knowledge of medicine and surgery.
4. Ability to diagnose and treat medical problems.
5. Ability to plan and supervise a treatment plan.
6. Ability to prepare and maintain accurate reports.
7. Ability to communicate effectively both orally and in writing.
8. Ability to speak to the press and represent the position of the department to the public.
9. Ability to work as a team member.
10. Ability to develop and maintain effective working relationships with other staff, public officials, the public, and representatives of other agencies.

EDUCATION AND EXPERIENCE

Graduation from an approved school of medicine with residency training in a field of specialty appropriate for the practice of public health AND one year of leadership, supervisory and/or program oversight experience is preferred AND a Master of Public Health is strongly preferred.

JOB IMPACT

Consequences of error could include exposure to litigation (malpractice suits), public embarrassment and/or physical harm to individual clients due to improper diagnoses or treatment; increased risk of community exposure to a communicable disease that might have been prevented; and possible loss of federal, state, or local funding for public health services.

JOB CONTACTS

This position requires working with other County departments, including social and human resources services, law enforcement personnel, state agencies, regional and state organizations, the media, public advocacy groups and the community to coordinate efforts and to ensure that departmental efforts are directed toward achieving service needs of the community.

LANGUAGE SKILLS

Ability to communicate effectively both verbally and in writing, work tactfully and patiently with both adults and children; maintain records and prepare reports; use initiative and judgment; work independently; establish and maintain effective relationships with social service agencies, law enforcement personnel, schools, physicians, and other health care providers, and promote awareness and provide information on public health issues.

MATHEMATICAL SKILLS

Ability to work with concepts such as probability and statistical inference, as well as fractions, percentages, ratios, and proportions in practical situations.

REASONING ABILITIES

Ability to use mathematical and statistical reasoning. Ability to recognize when to refer clients for further assistance; ability to use initiative and judgment.

OTHER SKILLS AND ABILITIES

Ability to read, analyze, and interpret business periodicals, professional journals, technical procedures, or governmental regulations. Ability to write reports, business correspondence, and policy and procedure manuals. Ability to effectively present information and respond to questions.

CERTIFICATES, LICENSES, REGISTRATIONS

D.O., M.D., or Nurse Practitioner with license to practice medicine in the State of Oregon. Valid Oregon State Driver's License with safe driving record.

BACKGROUND INVESTIGATION

Those employed in this position may be subject to pre-employment drug testing and a background investigation, including but not limited to criminal background investigation. Conviction of a crime will not necessarily disqualify an individual for this classification.

WORK ENVIRONMENT

Work is performed in an office environment and may include exposure to disruptive people.

PHYSICAL REQUIREMENTS

Typically requires climbing, stooping, kneeling, crouching, reaching, standing, walking, sitting, pushing, pulling, lifting, fingering, grasping, talking, hearing, seeing, and repetitive motions. Requires exerting more than 20 pounds of force occasionally and up to 20 pounds of force daily to move objects. Exposure to communicable diseases. Requires driving and travel.
