TWN _____ RNG _____ SEC _____ QQ _____ TAX LOT _____

PROJECT DESCRIPTION

1. What is your purpose for filing this plan? _____

2. Stream/River Name: _____
3. Approximate length of Stream/River affected: _____
4. By definition, is this a Class I or Class II stream? _____
5. Describe your basic proposal: _____

6. Does your proposal include *planting* new trees and/or understory vegetation? _____
7. If you answered YES to question 6, list the species of trees/plants you are proposing to use and the quantity. Include an estimate of the area of vegetation removal, species to be removed, replacement species to be used, with the number *and* size of plants to be planted (seedlings, 1 gallon, 5 gallon etc.). This must be in accordance with the provided list of Oregon native trees and plants and be shown on your

submitted plot plan. (For noxious weed control, contact the OSU Extension Office at (541) 776-7371).

8. Are you proposing a maintenance plan for the riparian area? _____, if YES, please describe: _____

9. a. Proposed date of vegetation removal: _____

b. Vegetation will be replaced by (date): _____

10. What is your justification for impacting the riparian setback area? _____
