Beacon Drive Storm Drain Improvement Project
Project No. 2665

To All Planholders:

The following changes, additions, and/or deletions are hereby made a part of the Contract Documents for the construction of Beacon Drive Storm Drain Improvement Project, as fully and completely as if the same were fully set forth therein:

1. SPECIAL PROVISIONS

Replace **Section 00310 – Removal of Structures and Obstructions** of the Special Provisions modified as follows:

00310.92 Separate Item Basis – Add the following to the end of this subsection:

No separate or additional payment will be made for Removal of Surfacing. No separate or additional payment will be made for removal of speed hump and related signs. Removal of Surfacing, including speed hump and signs, shall be incidental to Trench Resurfacing on an area basis.

The Bid Schedule is revised to include Asphalt Pavement Saw Cutting as a Pay Item.

Replace **Section 00405 – Trench Excavation, Bedding, and Backfill** of the Special Provisions modified as follows:

00405.48 Surface Removal – Replace item (c) of this subsection with the following:

(c) Pavement, Curb, and Sidewalk – Pavement for NE Beacon Drive will be reconstructed as part of a future improvement project. Pavement resurfacing with a ‘T-patch’ will not be required. An additional saw cut of the Surfacing upon completion of backfill and just prior to Pavement resurfacing will not be required. In areas of any undermined or damaged Surfacing, re-saw to a width outside these areas.

Remove and dispose of Pavement lying within the limits of the cuts and from any adjoining areas damaged by the cutting and removal operations according to Section 00310.

Replace **Section 00495 – Trench Resurfacing** of the Special Provisions modified as follows:

00495.40 General – Add the following sentence(s) to this subsection:

All ACP trench resurfacing work shall be completed by each Friday of the same week for all portions of travel lanes under active traffic.

Trench resurfacing shall consist of a minimum 2” thick, Level 2, ½” Dense ACP wearing course.

00495.90 Payment - Replace this subsection, except for the subsection number and title, with the following:

The Bid Schedule is revised to include Trench Resurfacing as a Pay Item.

Add **Section 00641 – Aggregate Subbase, Base, and Shoulders** to the Special Provisions modified as follows:
