Dear Friends and Fairgrounds Supporters,

Fair Board

*Daniel Shepard
Board Chair*

Thanks to you our Fairgrounds stands strong and continues to play a vibrant roll in our community. Our “**100th Year Fair**” was a great celebration. Comments keep coming in praising the quality of the Fair and the improvements to the grounds.

*Terry Canavello
Dave Daniel
Patti Kirkman*

All year good things have been happening as we continue to upgrade our facilities. Though our job is far from complete; we are writing grants and gathering funds from different sources to keep moving forward.

*Don Myrick Jr.
Dennis Harmon
Linda Bradley*

Now we are asking you to again show your financial support in keeping **Your Fairgrounds** open, successful and a resource for our community.

Many plans and ideas are on the drawing board. We ask that you will take a minute to make your contribution today. No amount is too large or too small.

Thank You again for all the help throughout the year including moral, volunteer and financial support.

Interim Manager
